## FREE ADVICE TO SICK WOMEN

Thousands Have Been Helped  
By Common Sense  
Suggestions.

Women suffering from any form of female ills are invited to communicate promptly with the woman's private correspondence department of the Lydia E. Pinkham Medicine Co., Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence. A woman can freely talk of her private illness to a woman; thus has been established a confidential correspondence which has extended over many years and which has never been broken. Never have they published a testimonial or used a letter without the written consent of the writer, and never has the Company allowed these confidential letters to get out of their possession, as the hundreds of thousands of them in their files will attest.

Out of the vast volume of experience which they have to draw from, it is more than possible that they possess the very knowledge needed in your case. Nothing is asked in return except your good will, and their advice has helped thousands. Surely any woman, rich or poor, should be glad to take advantage of this generous offer of assistance. Address Lydia E. Pinkham Medicine Co., (confidential) Lynn, Mass.

Every woman ought to have Lydia E. Pinkham's 80-page Text Book. It is not a book for general distribution, as it is too expensive. It is free and only obtainable by mail. Write for it today.

## Over-Night FEDERAL Wireless To the Advertiser

The whole Balkan peninsula is being rapidly transformed into an armed camp, according to dispatches received from the capitals of the various States. Upward of a million men have been ordered to gather, to decide once and for all, in a trial by combat, the question of changing the condition of the inhabitants of the European provinces of Turkey.

Senator Joseph M. Dixon of Montana, the "Bull Moose" campaign manager, stirred the Senatorial committee investigating campaign contributions and expenditures to righteous wrath today by boldly declaring that the alleged investigation as conducted was merely a cloak for an attack on Theodore Roosevelt and demanding fair play.

Rear Admiral Vreeland discredits the statement made in New Orleans by Juran Leet, a Central American soldier of fortune, who declares that several United States marines had been killed in Nicaragua and that the news had been suppressed.

Two hundred and five men were killed in a battle between Mexican rebels and federal troops at Aura Pass, not far from Monlova, Mex., on Monday evening, according to reports that reached Eagle Pass today.

Mexican rebels on Sunday murdered the United States vice consul of Durango, Allen McLaughan, as well as Herbert L. Russell and Mr. Cliff, the manager and owner, respectively, of San Juan Teviche ranch.

Vice President James Schoolcraft Sherman, who has been sojourning in Grove Beach for several weeks, left for his home in Utica, N. Y., tonight. He has completely recovered from his illness.

Major George D. Blekeley, Coast Artillery Corps, U. S. A., Fort Rosecrans, is ordered to proceed to Honolulu, sailing on the transport scheduled to leave San Francisco October 5.

At the State Democratic convention held at Syracuse, N. Y., yesterday, William Sulzer was nominated for governor on the fourth ballot.

## TAFT'S CHANCES BETTER, HE SAYS

"There is wonderfully little effect on general business from the Presidential election," said John A. Scott of Hilo, who returned in the steamer Wilhelmina from a journey East.

"All lines of business seem to be flourishing. In some manufactures the orders can not be overtaken. This is particularly true in the iron and steel industries. Conditions are so different from what the country has been taught to expect in a Presidential year as to cause general comment.

"It would be impossible for me to give any idea as to how the Presidential fight is going. One gains very conflicting information from the newspapers—it depends on which candidate any of them is supporting. When I was leaving the East about the first of August there was a feeling that a deadlock might happen, and the election of President be thrown into the House.

"President Taft is probably gaining strength. He appears to have the confidence of the business elements. It is acknowledged that he has done a great deal of good work for the country, and that his administration has been conducted in strict accordance with law.

"Yes, no doubt the present disclosures of campaign expenditures will have some effect in diminishing the popular regard for Roosevelt, but what is hurting him worst is the kind of language he is using in his public speeches. Many people are becoming disgruntled with the coarseness of his remarks and his abusive personalities toward everybody opposed to him. Roosevelt is not having everything to himself on his tour through the country. Wherever he goes, Harlan and Bede are on his heels, in the interest of Taft, answering his arguments and assertions while they are still fresh in the people's minds."

## SIMPLE MIXTURE HELPS HONOLULU PEOPLE

That simple remedies are best has again been proven. The Hollister Drug Co. reports that many Honolulu people are receiving QUICK benefit from simple buckthorn bark, glycerine, etc., as mixed in Adler's-Ka, a German appendix remedy. A SINGLE DOSE helps sour stomach, gas on the stomach and constipation. INSTANTLY because this simple mixture antiseptizes the digestive organs and draws off the impurities.
